La petite place du village s'assombrissait doucement, le carillon s'était tu et l'on n'entendait plus que les grillons monotones. Des mantes noires attardées se glissaient par la porte entrebaillée de la vieille église; parfois, un murmure de l'orgue, le chant des enfants, la voix d'un officiant et les répons murmurés des fidèles parvenaient jusqu'à nous, dans la chaleur lourde du tardif crépuscule méridional....

Le lendemain, dans le matin parfumé, les oiseaux, si tôt dérangés, s'effrayaient au passage de la lourde voiture qui ronronnait docilement; la route fuyait vite; ce fut bientôt la traversée du marché bruyant au prochain village parmi les cris alarmés des bêtes et des gens, puis de nouveau la route....
